They are designed not to tip over, so students will only get wet if they decide to go swimming. Each boat is equipped with a small outboard motor for manuevering in and out of the marina.

We are able to make special arrangements for groups of 3 or more.

Swimming Requirements

Parents or guardians must certify their child can swim. Children must be comfortable in and around water and be able to swim unaided and tread water. A swimming check out with lifejacket on will be given on the first day of class. This

will allow the staff to check the swimming abilities of your child. The staff will also conduct a water orientation with a sailboat in order to teach self-rescue techniques.

Students are required to follow the Northern Breezes Sailing School code of good conduct. Respect for fellow students, safety, equipment, and the facility are paramount. When behavioral problems occur, every effort will be made to resolve the problem. If the behavioral problem is repeated or is serious, a Northern Breezes Sailing School staff member will contact the parent. What Students Should Bring

1) We recommend that students bring a bottle of water and snack. Drinking Water is available on site but most of the time will be spent on the water. Limited beverages are available for purchase.

We do have a supply of lifejackets available for students to borrow. Students will be required to wear a lifejacket while on docks, in the water, and aboard boats during class time.
